

Talofa Area Co-coordinators,

Hope this email finds everyone in good health,

Firstly, I would like to introduce myself. My name is Sep and I am Transport Coordinator for the IVF World Distance Champs here in Samoa. I am emailing on behalf of the local event team in Samoa and just wanted to touch base on transportation during Worlds.

I will be coordinating Transportation with some of my colleagues in areas such as Airport Transfer and daily transport during the duration of Worlds.

If your country/team has not made any arrangements for transportation then I am very happy to assist on this matter before the arrival date.

I have attached the Airport Transfer Form below, as we need confirmation on when and how many people will be arriving. We kindly ask that all teams submit these forms by Saturday 22nd July 2023.

Airport Transfer Information

1. The cost of Airport Transfer is \$45.00 (WST) one way.
2. Please make sure to fill 1 Form per Flight in case you have team members arriving on different Flights.

I have also attached a pricelist for daily transport and an idea of tours available should anyone be interested, all process are in Samoan tala.

Thank You
Sep Paulo
